Enclosure A - Sketch of Bridge Construction Enterprise, Budapest

C-O-N-F-I-D-E-N-T-I-A-L-

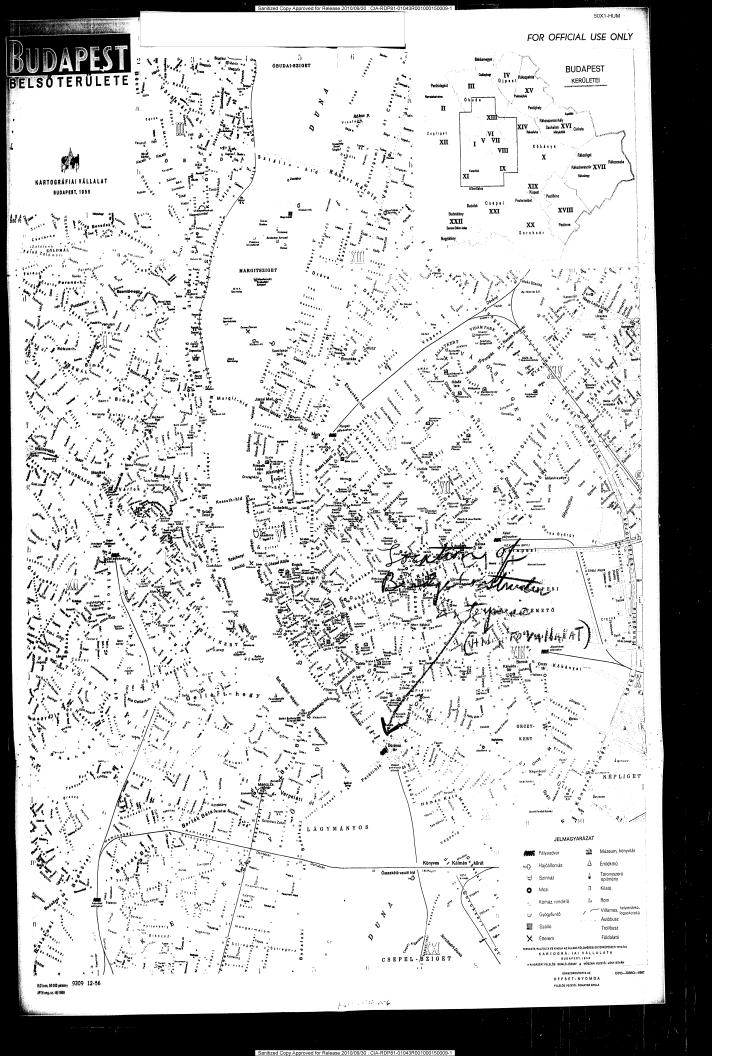

50X1-HUM

## C-O-N-F-I-D-E-N-T-I-A-L

Legend to Enclosure A - Bridge Construction Enterprise

- 1. Danube River
- 2. Petofi Bridge
- 3. Square in front of plant.
- 4. Kozraktar utca.
- Fence one meter high brick and one meter high cyclone type fence.
   Painted red.
- 6. Small door for individuals.
  - a. Porterhouse for one person. Made of brick.
- 7. Truck gate made of wire.
  - a. Three and one half meters by three and one half meters. Porterhouse at gate.
- 8. One standard gauge railroad track.
- 9. Two-lame road for trucks. Road made out of blocks.
- 10. Main Workshop, 60 meters by 20 meters, one-story high, with roof used by plant as second story for work output. First floor, about 15 workers poured cement into reinforced construction section forms, and about four carpenters produced prefabricated wood sections. About 150 were employed on the roof where they welded and assembled products.
  - a. On second floor, this small section was about 20 meters by 15 meters. It contained administrative offices for hiring, firing, and handling finance.
  - b. Some plant generators were located here, but they were not very often used.
- 11. Crane attached to second story roof.
- 12. Administrative building, 40 meters by 20 meters, one-story brick building painted gray. About 25 were employed here. The director of plant, the production section, the technicism, and the manager of entire plant had their offices in this building.
  - a. Unused chimney, about 50 meters high, was located here.
- 13. Open machine shop with no walls, only overhead roof. It was 40 meters by 50 meters by 13 meters high. About 25 were employed here. Drilling machinery, sharpening machines and electric welders worked here. Offices for production costs, maintenance, were located here.
- 14. Section similar to number 13 except about 32 were employed here.
- Open air work shop area and storage area. About 150 people were employed here. Storage contained lumber and metal supplies.
- Locksmith shop. One-story brick building, 20 meters by 18 meters.
   About 18 were employed here.
